New in 2012, The SuperWolf 240 is the evolution of Trafalgar Cleaning Equipment's original design. The SuperWolf 240 is a powerful outdoor vacuum cleaner designed for cleaning up litter.

The SuperWolf 240 is an outdoor vacuum cleaner specifically designed for cleaning up litter and dog mess from areas where access is a problem.

Supplied with a 240 litre wheelie bin with or without a trolley, and it can also be fitted to a utility vehicle. An optional bin liner is also available for use with large refuse sacks, Keeping the bin hygienic and safe to work with.

Rubbish is easily bagged for safe disposal and is ideal for;

- Dog Faeces
- Sports Areas
- Paper
- Play Areas
- Cans
- Grass Verges
- Bottles
- Foot Paths

Shown here with the trolley

Designed for litter collection

Disposes of dog mess hygienically

The SuperWolf 240 is light and effective with all the power you need from a robust 4 stroke Honda engine. With Trafalgar Cleaning Equipment's very own in-house designed, injection moulded fan and fan housing, suction is vastly improved over previous models while noise has been drastically reduced, making it a great choice for use in built up areas.
